Correction note

The article entitled “Design, Implementation, and Performance Optimization of a ROS Based Autonomous Mobile Robot for Intralogistics in Manufacturing Facilities, Volume 20, No1 2021, page 93-102, DOI: <https://doi.org/10.14313/jamris-2026-010> was corrected.

The correction concerns the author’s email address. The correct author details are:

Neslihan Demir

Department of Industrial Engineering, Istanbul Aydin University

Email: neslihandemir2@aydin.edu.tr

ORCID: 0000-0001-8641-7787

This correction updates only the author’s contact information and does not affect the content, results, or conclusions of the article.
