## autumn – winter 2007

---

- 4-7 September** **AIM'07** – The 2007 IEEE/ASME International Conference on Advanced Intelligent Mechatronics, Zurich, Switzerland.  
<http://aim2007.ethz.ch/>
- 4-7 September** **MESA'07** – 3. ASME/IEEE International Conference on Mechatronics and Embedded Systems and Applications, Las Vegas, Nevada, USA.  
<http://www.asmemesa.org/mesa07/index.html>
- 9-12 September** **IEEE Region 8 EUROCON'07 Conference** – Warsaw University of Technology, Warsaw, Poland.  
<http://eurocon2007.isep.pw.edu.pl/>
- 10-12 September** **ROBOCOMM'07** – The 1th International Conference on Robot Communication and Coordination, 2007, Athens, Greece.  
<http://www.robocomm.org/>
- 10-14 September** **ECAL'07** – 9. European Conference on Artificial Life, Lisbon, Portugal.: Workshop on Multi-agent Systems in Biology and Robotics is included.  
<http://www.ecal2007.org/>
- 15-17 September** Beijing, China.  
**MIV '07** – The 7th WSEAS International Conference on Multimedia, Internet & Video Technologies.  
<http://wseas.org/conferences/2007/china/miv/>
- SMO'07** – 7th WSEAS Int. Conf. on Simulation, Modelling & Optimalization  
<http://wseas.org/conferences/2007/china/smo/>
- SSIP '07** – The 7th WSEAS International Conference on Signal, Speech and Image Processing  
<http://www.wseas.org/conferences/2007/china/ssip>
- 19-21 September** **ECMR 2007** – European Conference on Mobile Robots. Freiburg, Germany  
<http://ecmr07.informatik.uni-freiburg.de/>
- 24-26 September** 20th International Conference on Parallel and Distributed Computing Systems. Las Vegas, Nevada, USA.  
<http://www.isca-hq.org/ISCAconf.html>

see next page >

- 25 October**      **AmiRE 2007** – 4th International Symposium on Autonomous Minirobots for Research and Edutainment. Buenos Aires, Argentina.  
<http://www.amire2007.fit.qut.edu.au/>
- 10-12 October**      **BVAI 2007** – 2nd International Symposium on Brain, Vision and Artificial intelligence. Naples, Italy.  
<http://clava.cib.na.cnr.it/BVAI2007/>
- 15-17 October**      **ROBOCOMM 2007** – 1st International Conference on Robot Communication and Coordination. Athens, Greece.  
<http://www.robocomm.org/>
- 17-20 October**      **ICCAS 2007** – International Conference on Control, Automation & Systems. Seoul, Korea.  
<http://2007.iccas.org/>
- 22-25 October**      **CORES'07** – 5th International Conference on Computer Recognition Systems. Wrocław, Poland. Special session on medical applications.  
<http://cores.pwr.wroc.pl/>
- 28-30 October**      **AUTONOMICS 2007** – First International Conference on Autonomic Computing and Communication Systems. Rome, Italy.
