

License to publish

Article entitled:

Authors: (also referred as a "Licensors")

Journal name: Journal of Automation, Mobile Robotics and Intelligent Systems, ISSN 1897-8649 (print), ISSN 2080-2145 (online)

1. License

The article is published under the Creative Commons Attribution-NonCommercial-NoDerivs 4.0 International License (CC BY-NC-ND 4.0), as currently displayed at: <https://creativecommons.org/licenses/by-nc-nd/4.0/>

This license defines the terms under which third parties may use the article.

Under this license, users are free to share (copy and redistribute the material in any medium or format), provided that appropriate credit is given, the material is not used for commercial purposes, and no modifications or adaptations are made. The author retains copyright of the article.

The author grants the journal owner a non-exclusive, worldwide, royalty-free license to publish, reproduce, distribute, and make the article publicly available in any form or medium, and to identify itself as the original publisher.

2. Author's warranties

The author warrants that the article is original, written by the stated author(s), has not been published before, contains no unlawful statements, does not infringe the rights of others, is subject to copyright vested exclusively in the author, and is free of any third-party rights.

The author confirms that any necessary permissions to quote from other sources have been obtained.

3. User rights

Users may use the article in accordance with the Creative Commons Attribution-NonCommercial-NoDerivs 4.0 license.

In particular, users are allowed to share the article (copy and redistribute in any medium or format)

Under the following conditions:

- appropriate credit must be given to the author(s)
- the material may not be used for commercial purposes
- the material may not be modified or adapted

4. Rights of authors

Authors retain the following rights:

- copyright of the article
- the right to use the article in future works (e.g. books, lectures)
- the right to reproduce the article for non-commercial purposes
- the right to self-archive the article

5. Co-authorship

If the article has been prepared jointly, the signatory confirms that they are authorized by all co-authors to enter into this agreement on their behalf.

6. Termination

This agreement may be terminated by either party upon material breach, subject to appropriate notice and opportunity to remedy.

7. Royalties

The author is not entitled to royalties or other fees for the publication and dissemination of the article.

8. Miscellaneous

The journal owner will publish the article if the editorial process is successfully completed.

The article will be made publicly available free of charge to readers.

The journal owner may apply formatting and editorial standards.

This agreement is governed by the laws of Poland.

9. Publishing rights

The author grants the journal owner a non-exclusive right to publish, reproduce, distribute, and communicate the article to the public in all forms and media.

These rights are granted solely for the purpose of publication and dissemination of the article as part of the journal.

All reuse of the article by third parties is governed exclusively by the Creative Commons license indicated above.

10. Open Access statement

The journal operates under an open access model.

All articles are freely accessible online immediately upon publication.

The applicable Creative Commons license defines the terms under which users may reuse the content.
